Happy Valentines!..... Valentine Exchange Only...No Parties.

On February 11 – 12 we will show our love by exchanging valentines with the friends in our classrooms. Send your child to school with a valentine for each student in the class. Label the outside of the card with “To my friend.” You can write or have your child write his/her name on the inside of the valentine. Please do not send hard candy with your valentines. Students will then deliver the cards during class time in the creative valentine boxes or bags they have made. Take time at home to look at the cards with your child. Children enjoy spending time with you and talking about the friends in their classroom. Teachers will be providing fun activities and snacks for the children on that special day.

We have brochures in the office available for interested friends and families as well as information about our school on the web.

Rodeo Texas Days

We love being Texans and the Rodeo is coming to town! On February 25 and 26 come join us for some fun Rodeo activities in the Atrium. Make sure you have on your rodeo attire so that roping cows and tossing tortillas will come naturally! We will even end the morning with some great Texas grub. Check your child's calendar and watch our website for details. The Chuck Wagon lunch will be in the Atrium from 11:00 a.m. – 12:00 p.m. both days. Texas Roadhouse @ Hwy 290 and Hwy 6 will be providing chili for parents on both days; so come chow down with us!

OAW

Your children have been creating a memorable masterpiece in their classrooms. Keep an eye out for their artwork to come home with an order form. The artwork can be purchased on aprons, mugs, Christmas ornaments and much more. Everything purchased helps raise money for Lamb School classrooms and activities. Please return your child's artwork along with the order form no later than Thursday, February 11.

Thoughts:

During February love is brought to mind. Children, especially our own, can be easier to love during some times and not easy during others. Take some time to give them some physical touch and listen to their stories. As they grow older, start to pay attention to what makes them feel loved. Some feel loved by physical touch while others can feel loved by quality time, acts of service or getting gifts. This can even be true for adults, too. Everyone's love language is different. Take some time to learn the language of those around you and you will find you will feel loved in the process! Happy Valentines Day!

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, and always perseveres. (1 Corinthians 13:4-7).
